Agri-Days!

Teachers – Schedule your presentation now...

- Agri-food Education can be a part of your classroom learning
- A variety of topics are available
- All presentations are curriculum connected
- Presentations are available at all grade levels
- Some may be presented in French

1. Dairy Educator Program

Topics may include: Dairy Farming
Dairy Goodness (nutrition – using Canada's Food Guide)
Careers
Processing
Technology

2. AgriDays Celebration

Local producers and people who are involved in agriculture share their experiences with your students. Two or three workshops are available to each school. Topics are dependent on the availability of presenters.

Topics may include: Fibres (wool, mohair, cotton etc.)
Harvesting – technology, crops, foods
Planting – technology, crops, foods
Soils
Animal Care
Rural/Urban Living

3. Teacher Workshops

Try something new – Host a workshop that provides ideas and activities on how to use agriculture in your classroom. Resource materials are included with the workshop.

For more information contact - Pat Marcotte
